**Kylie’s Chance Scenic Lobster Tour**
Vacations are for sightseeing, why not see the sights of Kennebunkport from the water. Kylie’s Chance is a 65ft. boat built and launched in 2002 for the sole purpose of giving visitors a boating adventure. She is one of the largest sightseeing vessels on the New England coast. Want to know how Maine Lobsters are caught, we will show you how it’s done. Did you ever want to see the oceanfront estate of a former President, the view from the water is better than the land view and you may even see President Bush 41 and the Secret Service out fishing. If you wave, he does wave back. Seals in their natural habitat on Bumpkin Island, yes you can see them too. Houseguests, wedding parties, anytime you need an activity, the 1 1/2 hour trip is packed full of fun. Come aboard. The captain and mate will be happy to answer your questions and fill you in on the lore of the Kennebunkport coastline. Kylie’s has one third of the seating under cover for those who don’t want to be in the sun.
